URGENT MEMO

TO: JACL Board, Staff, and Chapter Presidents

FROM: Floyd Mori

natdir@jacl.org

February 4, 2009

Please call or write to your member of Congress to ask for his/her support for S.22 which contains modest funding for a Special Resources Study for Tule Lake Internment Camp, which is now part of the new National Monument, World War II Valor in the Pacific. The bill should come up next week, and we would like these people to vote for it as they may be undecided. Please follow up on it also.

If any of the following are your Representative, it would be especially helpful if you would contact them and ask your chapter members and other friends to also contact them. These are mainly people where we have chapters, and they may be undecided about support. If your Representative supports the bill, it would still be helpful to contact them to express thanks.
